AQUA·AID

Aqua Aid

15 to 30 Day Penetrant

Aqua Aid Penetrant is formulated with the highest quality cosmetic grade non-ionic surfactants and wetting agents. This unique water base formulation of surfactants and wetting agents allows application any time of the year with no phytotoxicity.

Aqua Aid Penetrant provides a uniform soil moisture profile by modifying the water surface tension. This can reduce the required amount of irrigation and rain water by as much as 30%. The end result is less hand watering, less maintenance expense and a healthier plant.
